

How to help St. Vincent de Paul -

Donating through Amazon - Volunteers can select needed items from our curated Wishlist that will be delivered directly to our shelters. Wishlist by following this link: <https://www.amazon.com/hz/wishlist/ls/1KVMC7HYID3HM?type=wishlist>.

Bagged lunches – We are currently collecting bagged lunches to give to our clients. They generally include the following -a meat and cheese sandwich (condiments on the side); chips (individual serving size); unrefrigerated beverage (juice box, water, Gatorade...); soft fruit (fruit cup if preferred at this time); cookie (or other small treat)

Delivering individually sized snacks and drinks in bulk- To help our families in quarantine, we are collecting snacks and drinks. Many stores are not allowing bulk purchases so volunteers have been collecting items either by themselves or in groups to donate to our shelters.

Collecting protective masks, thermometers, or hand sanitizers- We have 800 individuals which include our clients and our staff who are onsite everyday making sure the shelters are safe & clean. However, since we are not a medical facility we do not have access to any vendors who have stock.

Volunteering at KidzTable- KidzTable community kitchen is preparing boxed meals for Recreation Centers and homeless shelters. We need healthy individuals (<60 years old) to help pack box meals at our KidzTable location. We will need (4) volunteers per shift Monday through Friday. The first shift will be 9AM-12PM / The second shift will be 12PM-3PM

*Please note that we will be following safety protocols including ensuring social distancing and providing gloves & masks. **You can sign up [HERE](https://www.volgistics.com/ex/portal.dll/ap?ap=515173675)***
